STENETTE HIRED AS OFFICE MANAGER AT SECURA KEY

Chatsworth CA – Sept 25, 2013 – Irasema Chavez Stenette was recently hired as Office Manager at Secura Key, a leading supplier of security access control products. In her new position, Stenette will be responsible for Customer Service Administration, and she will be responsible for Human Resources.

According to Martin Casden, Secura Key's Vice President, "Irasema is an accomplished, result-oriented professional with proven abilities in operations management. We are very pleased to have her on board. She is a perfect fit, and will play a significant role in improving Secura Key's Customer Service, and in establishing and maintaining policies and procedures."

Previously, Stenette worked at the Antelope Valley Children's Bureau as a Program Operations Analyst, where she monitored, tracked and reported on Mental Health Programs, staff performance, patient care, and government compliance. She had previous positions in Human Resources, General Accounting, and General Administration roles.

Stenette has a BS in Criminal Justice/Psychology from California State University at Bakersfield, an MBA from the University of Phoenix–Woodland Hills, and an MS in Psychology from University of Phoenix-Lancaster. She is fluent in Spanish, and is a Licensed Public Notary.

About Secura Key

For over 40 years, Secura Key has manufactured access control systems, cards, keytags and readers. Originally well known for its Barium Ferrite TouchCard™ products, Secura Key now provides software-based systems with proximity technology, and also supplies HF contactless smart card readers and credentials to the RFID industry, as well as UHF cards and keytags. Secura Key also offers in-house custom card manufacturing and 4-color printing in a wide variety of card technologies.

Secura Key's manufacturing plant and general offices are located in Chatsworth, California. Further information on Secura Key is available at <http://www.securakey.com>.
