The Secura Key Family Grows!

CHATSWORTH, CALIFORNIA, Secura Key has recently added three key infrastructure positions which will ultimately help us to provide better customer service, by keeping our Accounting and IT departments running smoothly.

Celia Jimenez

Celia has joined Secura Key with several years of experience in the Accounting field. Her attention to detail and exceptional people and problem solving skills are a perfect fit for Secura Key. Her qualifications include experience with SAP Business One, QuickBooks, MAS200 and other accounting software programs. Celia has an Associate's Degree from Kaplan University. She comes to us from Valencia Lumber, Inc.

Jose Ignacio

With a Bachelor's Degree in Accounting from Colegio de la Purisima Concepcion in the Phillippines, and many years of experience, Jose has filled our Staff Accountant I position. Jose's experience includes auditing, payroll, office management, as well as AR & AP. His strong analytical, project management and problem solving skills are key part of who he is. Jose comes to us from Povac Investments, Inc.

Eddie Diaz

An avid runner and ex-Marine, Eddie Diaz has joined our family as our Technical / IT Support Engineer. He not only keeps our computer systems running, but he also helps Secura Key customers with Network issues. Eddie is currently pursuing a Bachelor's degree from the University of Phoenix and his skills include an array of certifications in the latest technology. Eddie is a problem-solver and is always thinking ahead. Eddie comes to us from the W Hotel where he worked as an IT Manager. As his previous employer said, "Eddie always gets the job done!"

About Secura Key

For over 40 years, Secura Key has manufactured access control and RFID products. Reader technologies include contactless smart cards, proximity, and other leading technologies. Secura Key's modern card/tag production plant is expert at packaging a wide variety of Access Control and RFID transponders, featuring 4-color digital graphics, custom form factors and encrypted data.

Secura Key's manufacturing plant and general offices are located in Chatsworth, California. Further information on Secura Key is available at <http://www.securakey.com>.
