## Secura Key Offers Updated Card Ordering Guide

**CHATSWORTH, CALIFORNIA** - Secura Key has just updated its Customer Card Ordering Guide, which allows resellers and customers to have a reference tool for all aspects of the card ordering process. The guide includes available card types, instructions on choosing formats and various printing options for all technologies in the Secura Key Catalog. The 12 page guide is detailed and includes diagrams of each card for easy ordering. The update includes new information on how to order HID-compatible proximity cards and key tags.

This informative document is available on Secura Key's website, [www.securakey.com](http://www.securakey.com) when you click on SUPPORT/SALES\_SERVICE. You can also contact us for printed copies.

### About Secura Key

For over 39 years, Secura Key has manufactured access control and RFID products, pioneering the use of new card technologies in the security industry. Reader technologies include contactless smart cards, proximity, and other leading technologies. Secura Key's modern card/tag production plant is expert at packaging a wide variety of Access Control and RFID transponders in durable plastic packages, featuring 4-color graphics, custom form factors and encrypted data.

Secura Key's manufacturing plant and general offices are located in Chatsworth, California. Further information on Secura Key is available at <http://www.securakey.com>. [\*To learn more about Secura Key, click here.\*](#)
